A Word from our President

Dear CIU members,

Amazing – summer is going by so quickly. Several of our members are returning from the International rally at Escanaba, MI. We'll hope to get a download from them and hopefully some photos.

Over the summer we have had several new members join us. Our newest members are:

- John and Mary Ellen Deegan
- Thad and Erin Ewald
- Joe and Mary Ashland
- Bill McQuary

If you see them at our events, welcome them!

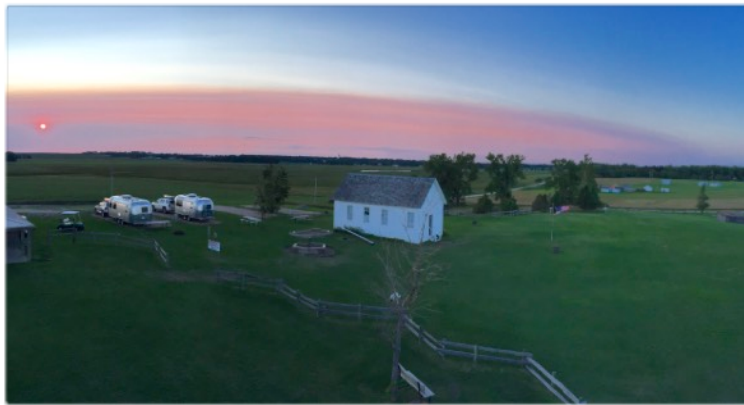

We still have several camping opportunities coming up:

- Prophetstown Family Buddy Rally Aug 10-13 – I haven't received ANY responses back from anyone that they are attending. Russels are temporarily trailerless and canceled. So their site, 216, may be available. But if you are coming – please let me know. I'd like to know if I am cooking for 30 or for just Denise and me!
- Solar Eclipse viewing. – Aug 19-22 Lincolnland Rally at Duquoin IL Fairground – contact Monty Barsdale.
- Region 5 Rally – Kentucky Horse Park in Lexington KY. Sept 13-18 Sign up on Region 5 website. Our unit will be preparing breakfast on Thursday morning for all rally participants. We will be needing helpers with that task.
- Oubache State Park Weekender Oct 13-15, target sites 20-31.

Hope to see you at an upcoming event!

Darryl
