The newsletter for the WBCCI Central Indiana Unit

## International Rally

The 60th WBCCI International Rally will be held July 22-29 in Escanaba, MI. Electric & generator sites are sold out, but solar sites are still available. Details are on the [WBCCI webpage](#).

## Prophetstown SP Family Rally

The Prophetstown Family Rally will be held August 10-13. The entire campground is sold out.

## Eclipse Rallies

There are two Eclipse rallies to coming August 18-22. The Central Indiana Unit Rally at Little Grassy Lake Campground near Carbondale, IL is sold out, however, the Illinois Lincolnland Unit has sites available at the Du Quoin Fairgrounds in Du Quoin, IL.

## A Word from our President

Summer is in full swing – Happy 4th. Many of you are preparing to head to Escanaba for the International Rally. We wish you safe travels and a memorable experience. Check the Blue Beret for area activities and sights. Sorry we cannot attend.

The next Unit event is the Family/Buddy rally at Prophetstown State Park, Aug 10-13. I just checked, and the campground is still fully booked for that weekend. But if you would like to go, check back from time to time – people routinely cancel their reservations, and sites do open up. Also, if you must cancel your existing reservation, please let me know so we can give others a heads-up to try for a spot.

Some of the possible activities include: water park in the park, playground, 1920's vintage working farm tours, winery, Caterpillar factory tour, some of these will be structured events, others will be open. More on this next month.

A little side story. We took five of our grandkids

camping at Prophetstown last month. We all had a great time, and hopefully built some memories. Some of them wanted to do 'real' camping, so they brought their small tent. The weather cooperated one night to allow them to sleep in it. I asked afterward, what their favorite parts of camping were. Number one, the water park. Number two: Sleeping in the tent. So much for the Airstream!

Reservations are now open for the Region 5 rally in Lexington KY is September. If you plan to attend, register at <http://region5.wbcci.net/region-5-rally/>. Our unit will provide breakfast for the group on that Thursday. We'll be making plans for that in the next month.

See you down the road,

Darryl

### *Airforums LeRoy Was Here Rally*

Several members of the Central Indiana Unit attended the "LeRoy Was Here" Rally at Moraine View State Park in Central Illinois. Attendees came in from as far south as Branson, MO and as far north as Ontario, Canada.
