A Word from our President

Camping season has come to Indiana! Rain and all!

Despite the rain, we had a great turnout for the Brown County weekender. Fifteen units in all, including three first-timers. The weekend got off to a wet start. But by Saturday, the sun came out and it started drying up. We had 30 people for the Saturday meal, including long-timer Patsy Marston, who was our guest at the carry-in. We finished the evening with a campfire and music, thanks to Ken, grandson Dean, Phil and Mardell.

On Saturday, we presented Ann Newman a small token of our deep appreciation for all her service to the club. Her award-winning editing of the Directory, and her planning and execution of the unit caravans are a legacy that she has left us. She has moved to Culpepper, VA. We will miss her, but we wish her the best in her future plans!

New items: By the way, if you have any news that you would like to have the club know about, please send them to me and I will include them in the next Ticker.

Weekenders

Reservations are now open for our remaining events.

Turkey Run, Jun 2: Last I knew, the campground was full. If you have a reservation but need to cancel, please let us know before you cancel, so others might be able to reserve. I know at least two of our members that would like to attend. Also, if you would like to go but don't have a reservation, keep checking with the website to see if there are any general cancellations. Our target area in the campground is sites 175-183, and 159-162. But, hey, anywhere in the campground is better than not going at all! I'll send out a separate email, to find out how many are going and what sites they are on.

Oubache State Park: Weekender is Oct 13-15. Reservations are open. Target one of these sites: 20-31, or close by.
